The greenway was covered in frost with a patch of ice near Cleckheaton. This forced an alteration to the course reducing the distance of the course from 4 ½ miles to about 4 miles and 200/250 yards. The frost caused runners to be cautious. Fresh from a creditable sub 39 minute 10 km run in the recent Abbey Dash guest runner Neil Barker was a comfortable winner. Neil has not joined our club yet therefore the Alan Howgate trophy was presented to Emma Wilkinson who just held off the scratch runner Kevin Ogden. Kevin ran the fastest time over the course of 23 mins 21 secs.

25 finishers is the most since moving to the greenway course and we have to look back to 1994 when we had more (26).
